Original club burgee, circa 1952.

Buoys

WCYC purchases and maintains all navigational buoys on the Whitefish Chain. We also provide light kits for the buoys marking the channels between the lakes to help ensure safe navigation after dark.

Welcome to the Whitefish Chain Yacht Club (WCYC).

Since 1952, WCYC has helped provide a safe boating experience for residents of and visitors to our beautiful chain of lakes.

Swimming Lessons

Each July, WCYC provides accredited water safety and swim lessons to lake swimmers over the age of five. Lessons are held at the Corps of Engineers Campground in Crosslake.

Boating Safety

Youth Classes: WCYC co-sponsors boating safety classes for youth ages 12-17 who wish to receive a Minnesota Watercraft Operator's Permit. These classes help prepare young boaters for the operator's exam.

Classes for Women: Our popular "Women at the Helm" class teaches women how to drive and dock a boat as well as how to handle basic boating emergencies.

Yachting Club of America

WCYC belongs to the Yachting Club of America. Members of WCYC enjoy reciprocal privileges at more than 700 member clubs.
